Do you want a career not just a job? A career where your time is your own, where your income is not limited, where you have the freedom and opportunity to build a career & a better life for you and your family?

If the answer is YES but you require more knowledge, more skills, someone to show you how to get started and give you professional guidance to allow you to excel, then give me a call & start your exciting new career as a Mortgage Broker.

Starting your journey with an MFAA Certified Mentor guarantees you face to face support, a structured programme for the first 2 years and allows you to complete your Diploma in Finance & Mortgage Broking Management while being able to actively work & earn an income in the industry.

“Treat others the way they want to be treated, NOT how you want to be treated”

Keith is a local Perth based finance professional. He has completed a Bachelor of Business Administration, Majoring in Personnel Management from the University of Memphis, USA; a Diploma in Finance & Mortgage Broking Management; is a MFAA Certified Mentor & has done the REIWA Real Estate Sales Registration course.

Coming from a strong background in sports coaching and now owning & operating a successful mortgage broking business for the past 11 years gives Keith an essential & unique mix of qualifications and experience to nurture Mentee’s to success.

In his spare time he is an active tennis player, having won some Australian (junior & senior) titles over the years and is an active member at enjoys playing at his local club, Manning Tennis Club, with his 2 sons and wife.

“I look forward to meeting & working with you”.
