Testimonials

“Very professional, reliable and friendly staff. Always kept up-to-date with the process. Answered all questions and emails promptly. Highly recommended. AAA+ Service. Thank you :) A BIG Thank you to Liz.” - **Rachel Gough, Springwood**

“Where do we start...It was our first home together and my first home buying experience. Liz made the entire process so easy! From start to end nothing was too hard, she went through everything with us (explained everything in simple terms for me!) and made sure that we understood what was going on at all times. We will be without doubt returning customers, we cannot recommend Liz enough.” - **Jess and Marc, Kingswood**

"We can't recommend Liz highly enough. Ours was an out of the box lending situation and quite a few banks put us in the too hard basket. Liz went way above and beyond in her service and dedication to helping us come up with a solution. The bank put us in an awkward situation that meant it was very hard to sort out how our lending would be set up. Liz didn't give up and constantly kept us updated with ideas and ways to come up with an answer for our mortgage. We are so thankful to Liz for persevering and finding a solution! Thanks to Liz we will now be able to finally build our dream home. Thanks Liz for not giving up when many others did.” - **Adam & Belinda, Leura**
