Madhu is the founder of Finance and Mortgage Solutions. She is passionate about customers achieving financial independence, especially for women.

She is known for her integrity and honest approach providing prudent solutions to customers that suits their circumstances. She is a highly respected mentor and has successfully mentored more than 10 brokers, some of whom were customers who appreciated her approach and honesty choosing to follow her path.

She is well known in her community, being people of Indian origin and is sought after for her advice and guidance. She has also assisted several large Indian charities some with global presence in finance. She operates predominately in NSW, but overtime has customers spread across Australia as she is the choice of adviser for them and also associates who have moved but still choose to work with her.

“Madhu and her mighty team have managed to pick up a Westpac mess I found myself in and miraculously organised a better loan in a fraction of the time it has taken me in the past. Their hard work and dedication has meant the settlement date is now back on track and imminent. The team have proven its simply better to get the experts on the job - the better than I hoped results speak for themselves.” Meg Yee, Customer

“Madhu is a highly endorsed financial service provider, always up to date with investment planning strategies therefore providing best advice tailored to client's needs. Professional and expert in banking, financial services, investment, business strategies and much more Madhu is continually focused on delivering optimal solutions to clients..” Apurva Anadkat, Client
