“When opportunity knocks, make sure you open the door”

“Come climb the mountain with us.....”

Myles Kelly and **Advantage Mentoring Australia** are offering the MFAA Certified Mentor Program and traineeships to new mortgage brokers wanting to start a career in the exciting finance industry with an opportunity to join the **Advantage Mortgages Australia** brand as a fully qualified professional mortgage broker and business owner.

Myles Kelly is a MFAA Certified Mentor and is a highly qualified and experienced business owner and mortgage broker. Myles is a people’s person with vast experience in both the Finance industry and Sporting arena as a coach of elite athletes. To be successful you require the right attitude motivation, the correct training, systems, sound techniques and habits, which are all taught and reinforced with the highly structured MFAA certified mentoring program.

We offer a friendly professional learning environment where your education, training and learning will not be compromised. Giving you the opportunity to mix with all our existing mortgage professionals with a wide range of experience and skills from mortgage brokers in the early stages of the mentoring journey to highly experienced brokers more than willing to share and offer you advice and assistance.

Qualifications include:

Bachelor of Business Degree Finance & Management

Diploma in Financial Services (Mortgage Broking)

Diploma Financial Services (Financial Planning)

MFAA Certified Mentor.

Full Member of MFAA

If you are highly motivated to succeed, call or email Myles NOW! If not call one of the other mentoring companies, we are only interested in highly motivated individuals.

ADVANTAGE giving you the opportunity to earn what you are worth!!!

“.....the view from the top is fantastic”
