

About Sandra

Sandra Thomas has been in the Mortgage Industry for over 20 years. She holds Full Membership accreditation with the Mortgage Finance Association of Australia (MFAA) and is an Accredited Certified Mentor.

Sandra also holds a Bachelor of Commerce in International Banking and Finance, Anti Money Laundering 3, a Certificate IV in Mortgage Brokering and a Commercial Diploma of Lending. Her experience is based on working for many years inside major Banks along with running her own successful Mortgage Brokering business.

Sandra has dealt with a huge range of Mortgage Credit software that is currently used by many different aggregators including Connective Mercury, AFG Flex system, Symmetry used by Plan and CPA, just to name a few AND many others.

She is very personable and builds good rapport and relationships. She is a hands on resource for any sales person to help them build their sales skills to create strong, sustainable business relationships to help grow their business in the Mortgage Industry.
