### **Meet the team.**

**Peita Davies** - Owning my own business is one of the most rewarding and yet challenging experiences I have had, and as an experienced business owner I love helping other aspiring entrepreneurs.

My qualifications include a Diploma in Mortgage Broking and one in Financial Planning. I am an MFAA approved mentor and I have been a finalist for Broker of the Year at the prestigious MFAA Awards in 2011, 2012, 2013, 2014, 2015, 2016 and I believe these achievements are a strong indication of my integrity, professionalism and commitment to customer service delivery.

In my spare time, I enjoy spending time with my family, sharing a glass of wine with my friends, exploring the world and ticking off my bucket list!
