About Your Mentor

Demal has over 16 years of experience in the Banking Industry and have been a Product Specialist for lending products.

Currently, an independent Mortgage Broker, he has combined his several years of learning and experience to advice comprehensive solutions to help customers to choose the most suitable lender and loan for their needs.

His passion towards lending products, love for team management capabilities, motivated him to be a MFAA accredited mentor and aspire to educate new entrants to the industry.

Demal has held senior roles including, Head of Loan and Mortgage Products, Manager for Mortgage Sales and Service Centers and Supervisor for Card Centre. He has management experience in setting up a Retail and SME Banking Division for a premier Middle Eastern Bank.

His academic qualifications includes, a Masters degree from the International University of Missouri, USA, a Diploma in Finance & Mortgage Brokering Management (DipFMBM) from Australia, Bachelor in Commerce from India and others.

Demal is an outgoing, spirited person who believes in hardwork, integrity and dedication. His vast experience of transacting in real estate space gives him an added advantage of a thorough understanding of the property business.
