Since 2002, I have been the sole director of M Finance Pty. Prior to that, I was a joint director and loan writer with Millenium Financial Solutions Pty for over 10 years. Proving my success as a self employed mortgage broker for over 15 years.

My employment in previous roles with Westpac were also in lending and banking for an additional 10 years, giving me over 25 years in the finance industry. For several years during my time as a broker, I was able to achieve pier success by ranking in the top 100 brokers in Australia with Plan.

My education includes the Diploma of Financial Services (Finance/Mortgage Broking Management), Certificate IV in Financial Services (Finance/Mortgage Broking), and a Bachelor of Business Management, Double Major in Tourism and Marketing and the role of Accredited MFAA mentor.

Banking and finance is a fantastic industry in which to work. It offers flexibility, unlimited opportunities, the ability to influence people's lives and to have a positive role in their financial futures.

I am a positive person. I have strong ethical values and believe in honesty and integrity. I enjoy a challenge and ensure that all avenues are exhausted. By going above and beyond to ensure I find the solution that is the absolute best for the client. I have good communication skills and enjoy building a solid relationship when dealing one on one, with different people from all backgrounds and cultures.

I wish to give back to this industry that has been so good to me. I want to help new industry entrants, using my experience, ethics and beliefs to help, coach and mentor them to achieve their own goals and build their own businesses.

So if this is you, I can educate, motivate and inspire you as an external mentor, but ultimately it's your dream, your goals, your drive, your business.

I am here to help you along your journey.
