

AVIATOR

FINANCE AND
BUSINESS ADVISORY

LUAY KHREISH | DIRECTOR

Luay is an experienced Banking & Finance professional. His experience spans over a decade, predominantly as a commercial banker at a major Australian bank.

In 2014 Luay decided to embark upon establishing his own specialised finance brokerage. Leveraging on his extensive experience, he has successfully carved out a niche within the commercial finance and alternative debt solutions / private funding space, which cater for clients with debt requirements that do not fall within the appetite of the major banks.

This extensive experience holds Luay in good stead to mentor new brokers, not only within the mortgage space, but also within the broad and diverse commercial lending segments.

Luay is a graduate of Victoria University and has attained his PhD, through which he studied the factors contributing to effective relationship management within the banking sector, Master of Business in Management Practice and Bachelor of Business in Commercial Law.
