Pennie has been in the mortgage industry since 2010 and has an unwavering passion for innovation and empowering people with knowledge. Having been through the mentoring process as a mentee she is able to understand and share the experiences of becoming a new broker.

We offer a community environment where everyone can share their successes, frustrations and experiences throughout their journey.

She is enthusiastic about educating and assisting everyone in achieving their goals and is immensely proud to be able to share her knowledge with participants of the program. To achieve real and lasting success as a mortgage broker, you need the right tools and the right guidance to use them effectively.

Our VISION is to lead, inspire, guide and develop EVERY Broker to GREATNESS".
